The diagram shows a web form layout with a horizontal line at the top. Below the line, there are two columns of input fields. The left column contains four input fields, each with a dropdown arrow on its right side. The right column contains three empty input fields. A red rectangular error message box is positioned in the center, overlapping the second input field of the left column. The error message box contains a black circle with a white 'x' icon and the text 'Please check your email address' in white.
